Hi Evan,

Thanks! You may want to let the Director know that I actually received clarification from the HRB chair, Erik Dyar.

Hi Evan,

In regards to your most recent memo, "Completeness Review Letter", dated Oct. 19, 2020, I wanted to let you know that I've discussed this with a number of HRB members.

What they've clarified is, I don't necessarily have to retain an outside "Architectural Historian". And as mentioned in your letter, "Staff recommends", not requires. So, given the nature of staff's concerns, I prefer to present and work directly with the HRB in satisfying everyone's concerns with the compliance of the Secretary of the Interiors Standards, in this case items nos. 2 & 9.

Please let me know, when and how, you plan on scheduling our next step.

Thanks in advance,
